Dear Sir or Madam:

The United States Environmental Protection Agency (U.S. EPA) is currently investigating the source, extent and nature of the release or threatened release of hazardous substances, pollutants or contaminants on or about the Albion-Sheridan Township Landfill in Albion, Michigan. This investigation requires inquiry into the generation, storage, treatment and disposal of such substances that have been or threaten to be released at the Site. U.S. EPA is also investigating the ability of persons connected with the Site to pay for or perform a clean-up of the Site.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response Compensation and Liability Act (CERCLA), 42 U.S.C. 9604(e), as amended by the Superfund Amendments and Reauthorization Act of 1986, Pub. Failure to respond fully and truthfully to each and every Information Request within thirty (30) days of receipt of this letter, or to adequately justify such failure to respond, can result in enforcement action by U.S. EPA pursuant to Section 104(e)(5) of CERCLA which, as amended, authorizes the United States to seek penalties from a Federal court of up to twenty-five thousand dollars (\$25,000) for each day of continued non-compliance. "Non-compliance" is considered by U.S. EPA to be not only failure to respond to the Requests but also failure to respond completely and truthfully to each Request. Please be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties of up to ten thousand dollars (\$10,000) or up to five (5) years of imprisonment or both under 18 U.S.C. 1001.

The United States Environmental Protection Agency has the authority to use the information requested herein in an administrative, civil or criminal action. This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. § 3501, et seq.

This Information Request is directed to your company, its officers, directors and employees and its subsidiaries, divisions, facilities, and their officers, directors and employees. The relevant time period for this Request is 1966 to 1981.

You should read carefully the above-cited regulations, together with the standards set forth in Section 104(e)(7) of CERCLA, before asserting a business confidentiality claim, since certain categories of information are not properly the subject of such a claim, as stated in Section 104(e)(7)(ii) of CERCLA.
10. U.S. EPA has the authority to use the information requested herein in an administrative, civil or criminal action.
